Al here, aka, Gator. I'm excited to be back for my 26th year at Good Times Summer Day Camp! It's been an amazing off season for me. As an instructional supervisor at Glenbard West High School and as a coach for three sports, my off season can get busy, but I love every part of it. I work with some amazing students in Special Education who bring joy and laughs in the classroom. I also coach cross country at Glenbard East for both the girls and boys teams. Last year we had a very good team and we're ready to do some damage next year with a young squad. For the first time in my career I also coached girls track this past spring and had a wonderful time doing it. We took two relays and five individuals to the State meet and had our 4 x 800 girls place 4th! The highlight for me though, has been girls wrestling, where as the head coach, I've helped build our young sport. In our brief three years of existence we've taken girls down to the State meet all three years. This past season we took two girls down and came back with our very first State Champion! It couldn't have happened to a more humble, hard working individual and we're so happy for her. With that said, I'm very excited to take over Earl the Squirrel's Wrestling Tournament this year and maybe help kickstart a future wrestler. Let's make this summer one of the best Good Times has ever had!!!
