A Little Bit About Me...

Ever since I was little, I've been drawn to Good Times because it was a place where I could let loose, be myself, and have fun. It was the type of fun that I'd be nostalgic of during lectures at school. I look forward to getting to know my campers this summer and creating the same type of atmosphere for them. I've learned from experience that a tight bond between a group makes every arcade, swimming pool, or amusement park even more enjoyable than it already was. I'm excited for another amazing summer. I have a feeling it's going to be the best one yet!

I am currently enrolled in the Nursing Program at Oakton Community College and am planning on pursuing a career in pediatric oncology or working with children in general! I am definitely a morning person and love starting my day off by saying hello to everyone. I was not always a very sociable person when I was younger but I have learned that the easiest and nicest thing to do is to always be kind. I am an avid sports player and was reluctant to play basketball in college for one year. I now mainly focus on my school work and if I'm not doing that you can either find me working on a puzzle or researching new crafts to do on pinterest!
