

"ARE YOU READY?"

Discuss Medical Issues with counselor and Director Dave.

Camp Shirts must be worn on Mondays & Wednesdays!

Swimming Days: Your camper should have a camp bag, swimming suit, towel, and sun block.

Swimming Assessments will be done on all campers. Strong swimmers do not have to wear life vests. Non swimmers and emerging swimmers are required to wear life vests.

Sun Block should be applied everyday before camp. Counselors will assist in reapplying sun block throughout the day.

Bug Spray is nice to have on those days we're going to be outside a lot. Counselors will be happy to assist with application.

Sack Lunches are needed everyday except Fridays and other specially noted field trip days.

Snacks & Water Bottles are welcome. Good Times provides cold water throughout the day!

Sweatshirts are a good idea for cooler days.

Concessions are sold at lunch and upon our return to base. We sell a variety of drinks, chips, ice cream, and candy! Campers are welcome to carry their own money; however we recommend wristbands for younger campers. Counselors will be happy to hold campers' money and assist them using it.

Fridays Fun Days! Campers are encouraged but not required to dress up and wear Funky costumes. Prizes will be given!

Label Everything! — Check lost and found routinely.

Leave Expensive Stuff Home!

Ask Questions!

Discuss Concerns with your counselor and Director Dave.

Drop Off: Main Base 7:00–8:45 am / Satellites 7:00–8:20 am

Pick Up: Main Base 4:00–5:30 pm / Satellites 4:30–5:30 pm
